## CHILDRENS PLAY AREA OPEN FROM JULY 4TH

Scientific advice suggests that the COVID-19 virus can survive for up to several days on some hard surfaces. The risks are reduced when outdoors, where surfaces may be subject to UV light and/or rain. Whilst all possible practical measures have been put in place the user of this equipment does so at their own choice.

For your own safety please observe the following:

- Play equipment restricted to Under 14 years only
- 1 family member to accompany 1 child
- To enable as many children to use the play equipment, please limit play to 1 hour if busy
- Maintain at least 1m distance from other users – e.g. pushing swings
- Sanitise your hands before, during and after using the play area, especially after touching play equipment and the access gates
- When using the equipment do not touch your face
- Wash your hands thoroughly when you get home
- Consumption of food and drink within the play area is not permitted
- Please use bins provided or take your litter home

Please be patient and kind - We all deserve to play safely
