Stance: Customer objects to the Planning
Application

**Reasons for
comment:**

Comments: This objection is on behalf of Staveley &
Copgrove Parish Council

We have concerns over the specification of the proposed building for continued agricultural use. Given its size and height it might be used for other activities such as industrial, which would be unacceptable.

Also at 5m in height the proposed building would be visible from Main Street which would have a detrimental effect on

Staveley's Conservation Area.
